- a. Category E receives 25% of the estimated de-registrations in 2002 and adjustment due to under or over estimation of de-registration in 2001 from Categories A-D.
- b. Cat A vehicle population include taxis.
- c. This adjustment takes into account the adjustments made in Nov 01 for the Dec 01 and Jan-Mar 02 tender exercises. The adjustment is capped at 20% to avoid having too drastic a fluctuation. Any residual adjustment is carried over to the subsequent quota year.
- d. This includes the final adjustment due to the over-estimation of de-registration in year 2000.
- e. The 5,000 additional Cat E COEs will be distributed equally in the remaining tender exercises (from May 02 to Mar 03) of the quota year.
- f. The figure includes 2,460 COEs which were added at the Nov 01 review. The originally announced quota was 86,831.
