- a. Category E receives 25% of the estimated de-registrations in 2005 and adjustment due to under and over-estimation of de-registration in 2004 from Categories A-D.
- b. Category A car population includes taxis.
- c. This adjustment takes into account the adjustments made during the mid-quota year review, which were introduced for the October 2004 to March 2005 bidding exercises.
- d. The figure includes 13,626 COEs which were added due to the September 2004 mid-quota year review. The quota originally announced in March 2004 was 120,538.
