

TRAIN SERVICE ADJUSTMENTS ON THE EAST-WEST LINE

14 – 17 March 2026

East-West Line

No Train Service Between Tanah Merah and Expo Stations

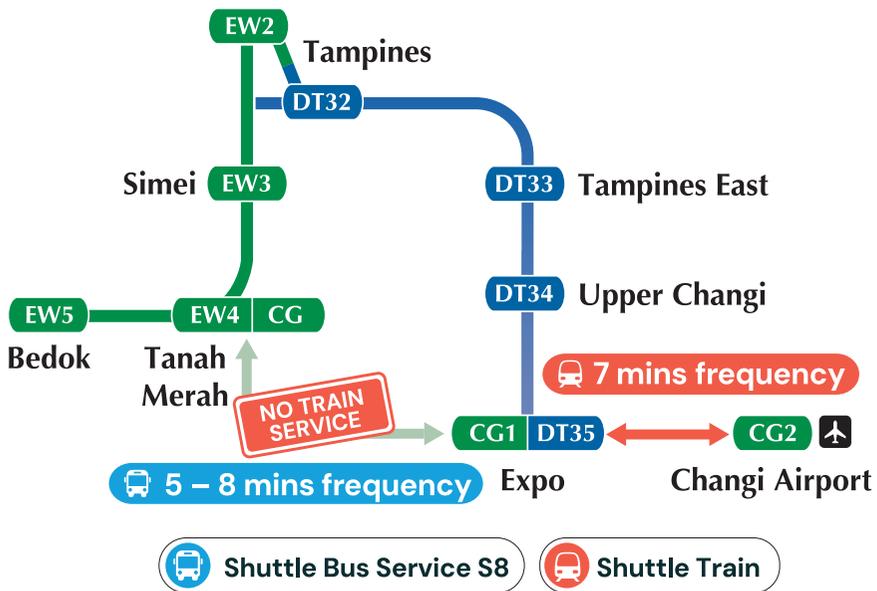

Look out for signage at stations or approach on-site staff for directions.

Strengthening Rail Network Resilience

With the completion of track works to connect the East-West Line (EWL) to the East Coast Integrated Depot (ECID) in 2025, LTA will carry out works to disconnect the existing Changi Depot from the EWL.

There will be a **4-day train service adjustment between Tanah Merah and Expo stations from 14 to 17 March 2026** to facilitate the disconnection works. Train services between Tuas Link and Pasir Ris stations will not be affected.

Alternative Routes

- 1 Shuttle trains will operate between Expo and Changi Airport stations at a frequency of 7 minutes.
- 2 Shuttle Bus Service S8 will ply between Tanah Merah and Expo stations at a frequency of 5 – 8 minutes.
- 3 Regular bus services are also available to connect commuters between Tanah Merah and Expo stations.
