

E-scooter Inspection (Information Sheet)

As part of our efforts to ensure that e-scooters comply with the device criteria for safe use on cycling paths, LTA is conducting checks on all registered e-scooters.

If you have received an e-letter/notice of inspection from us, you will need to bring your e-scooter for an inspection. There is no need to pay for this first-time inspection but it is compulsory. If you are unable to bring your e-scooter for inspection by the above date, someone else can do so on your behalf.

Please ensure that your e-scooter is inspected by the deadline as stated in your e-letter/notice. If you do not do so, you will be fined and your e-scooter will also be deregistered.

Before bringing your e-scooter for inspection, please check that the following criteria are met. If not, your device cannot be inspected and you will need to bring your e-scooter for inspection again on another date.

- 1) Your device's battery is at least 75% charged. We encourage you to fully charge the device.
- 2) Your device has a Registration Mark and Identification Mark. All characters on your Registration Mark should be readable. If one or more characters cannot be read, visit www.lta.gov.sg/feedback and request a replacement. Attach a clear photograph of the Registration Mark.
- 3) If your device has selectable drive modes, configure it to allow the device to achieve the maximum device speed. You can do this either through the settings on the e-scooter console, or your smartphone app.

If your e-scooter does not pass the inspection, it will be deregistered. Alternatively, if you do not wish to use your e-scooter anymore, you may deregister it online at www.onemotoring.com.sg > Digital Services > Deregister E-scooter. Once it is deregistered, you will no longer need to have your e-scooter inspected. It is an offence to ride a deregistered e-scooter on a public path.

E-scooter Inspection Centres

North / Central	East	West
JIC Inspection Services Pte Ltd 21 Ang Mo Kio Street 63 Singapore 569118	VICOM Ltd 20 Changi North Crescent Singapore 499613	STA Inspection Pte Ltd 249 Jalan Boon Lay Singapore 619523
