## Type 2 Bicycle Licence

To encourage innovation in the industry and to enable new players to pilot a small-scale bicycle-sharing system, new entrants, which at the time of application are not currently holding a bicycle-sharing licence issued by the Authority, may apply for a Type 2 Bicycle Licence to provide a shared mobility service using bicycles. The Licence period will be around 12 months. Prior to the expiry of the Licence, licensees may apply for a Type 1 Bicycle Licence.

The performance of the licensees will be taken into consideration amongst other factors when LTA evaluates their application for a Type 1 Bicycle Licence. Licensees that are not granted a Type 1 Bicycle Licence and/or fail to submit an application for a Type 1 Bicycle Licence will be required to cease operations upon the expiry of their Licence.

## IMPORTANT

Please also note that the Authority shall put on hold any evaluation pertaining to any application for a Licence if the Applicant is currently under investigations or have any pending court proceedings in relation to any suspected contravention of any provision under the Shared Mobility Enterprises (Control and Licensing Act and the relevant regulations. If any such suspected contraventions take place during LTA's evaluation process, LTA shall put on hold the application until the conclusion of investigations and/or court proceedings.

## Notes to Applicant

1. If any information provided by you is of a confidential or commercially sensitive nature, you are required to identify such information in a separate document by clearly marking the relevant sections which are considered confidential or commercially sensitive, and provide reasons why the information is considered to be so.
2. LTA reserves the right to review and/or modify the Key Licensing Requirements set out in this **Annex A-1** and/or the Standards of Performance applicable to the Applicant as and when it deems appropriate.
3. Shared mobility services are governed by the Act and the relevant regulations made thereunder. You shall ensure that you are able to comply with all the requirements stated herein and any relevant obligations under the Act and the relevant regulations, before submitting this Application Form.
4. In assessing your application, the Authority will consider, amongst other factors, your ability to manage the bicycle-sharing fleet, attain a good bicycle utilisation rate, implement the QR-code geofencing technology and minimise indiscriminate parking.
5. Upon LTA's in-principle approval of the Licence, you shall pay a Licence fee calculated at the rate of Singapore Dollars S\$6 per bicycle per year (based on the maximum number of bicycles allowed to be used in the shared mobility service) for each year of Licence validity. The Licence fee for the period of the Licence is required to be paid upfront and in full before the Licence is granted by LTA.

## Key Licensing Requirements

The following list of requirements is just an indication of the requirements intended to be imposed by LTA, and may change from time to time. Such requirements as stated in this **Annex A-1** are not intended to be exhaustive. Applicants which are granted a Licence (hereinafter referred to as “**Licensee**”) will be informed of the full list of requirements to be complied with and shall refer to the requirements set out in the respective Licences issued to them, which the Authority may modify from time to time in its sole and absolute discretion.

1. The Licensee shall provide to the Authority the following anonymised data according to the format required by the Authority (i.e. WGS84/ SVY21) through secured electronic means:
  - a) Location of all unhired bicycles, in intervals of up to 2 hours, at least once on a weekly basis;
  - b) Trip start and end-time of all hired bicycles, not more than 5 minutes from the start of hiring and the end of hiring, at least once on a weekly basis; and
  - c) Trip route data: location of hired bicycles at intervals of at least 30 seconds, at least once on a weekly basis.
2. The Licensee shall require its users to minimally register with their mobile number, but may request for other details such as date of birth and email address
3. The Licensee shall not collect a deposit from hirers of bicycles used in the provision of the shared mobility service by the Licensee.
4. The Licensee shall comply with all relevant obligations imposed on the Licensee under the Personal Data Protection Act 2012 (PDPA) and adopt robust security measures to safeguard users’ personal data.
5. The Licensee shall not deploy a fleet size that exceeds the maximum allowable fleet size stipulated in the Licence.
6. The Licensee shall not deploy a fleet size that is below the minimum allowable fleet size stipulated in the Licence
7. The Licensee shall remove indiscriminately parked bicycles within the time period stipulated by the Authority, and in the manner which the Authority may designate.
8. The Licensee shall affix each bicycle used in the shared mobility service with a sticker bearing a unique identification number issued by the Authority.
9. All bicycles used in the shared mobility service shall be equipped with a working location tracking device.
10. The Licensee shall comply with the geo-fencing standards set by the Authority. In particular, Licensee shall adopt the “end of hiring” process provided by the Authority and incorporate QR code geo-fencing. This includes:
  - a) Requiring users to scan a QR code at a public bicycle parking location before ending the trip;
  - b) Validating the location of the scanned QR code with the location of the bicycle at the end of hiring;

- c) Requiring users to report that the QR code at the public bicycle parking location is damaged / missing and to submit a photo for verification by the Licensee; and
  - d) Allowing users a grace period to unlock the bicycle and park again.
11. The Licensee shall charge users an additional fee of \$5 for each instance of improper parking in public places.
  12. The Licensees shall provide an appeal process for users who have been charged the additional hire fee.
  13. The Licensee shall inform the Authority in writing when users report that the QR code is damaged / missing (after verification by the Licensee that the users' report to the Licensee is valid).
  14. All bicycles offered by the Licensee to be used for hire in public places shall be compliant with all applicable Singapore laws, including the requirements under Road Traffic (Bicycles – Construction and Use) Rules 2018 and the Active Mobility Regulations 2018.

The Applicant's Authorised Representative is required by the Authority to provide a Director's Resolution / Power of Attorney to show that he / she has been duly authorised by the company to submit this Application Form to the Authority.

A Directors' Resolution in accordance with the Memorandum and Articles of Association (or other formation document) shall be provided, clearly authorising a named person or persons to sign and/or execute the Application Form, any amendments thereto and all other documents related to the application for the grant of the Licence, the Licence, and any amendments thereto. A specimen of an acceptable Resolution would read as follows:

The company could nominate up to two (2) authorised persons, and at least one (1) of them shall be a Singaporean or Singapore Permanent Resident who is permanently residing in Singapore.

"Resolved :

That \_\_\_\_\_ (NAME) and \_\_\_\_\_ (NAME) (delete, if not applicable or failing him/ them \_\_\_\_\_ (NAME) be and is/ are hereby authorised to submit and sign and/or execute the Application Form to the Land Transport Authority of Singapore, any amendments thereto, and all documents relating to the application for the Company to be granted a licence to provide a shared mobility service in Singapore. If the Company is awarded a licence by LTA, the authorised person/(s) shall also be responsible to receive and respond to all communications from LTA for all matters relating to the licence on behalf of the Company, for the duration of the licence. This authorisation shall be effective from and including to insert the earliest date of submission of the application for the licence."

The resolution shall be certified by the Company Secretary. For a company not incorporated in Singapore, the resolution shall be notarised by a Notary Public and certified by the Singapore Embassy in the country of incorporation.

ALTERNATIVELY, a Power of Attorney executed in accordance with the Memorandum and Articles of Association (or other formation document) notarised by a Notary Public and certified by the Singapore Embassy in the country of incorporation (if not so notarised in Singapore) may be submitted to LTA. It may be specific to this application or a general one. A general Power of Attorney should contain the following or similar clause:

"authority to submit and sign on behalf of the Entity, the Application Form and related documents and any amendments thereto and all documents related to the application for the Entity to be granted a licence to provide a shared mobility service in Singapore, to the Land Transport Authority of Singapore. If the Entity is awarded a licence by LTA, the authorised person/(s) shall also be responsible to receive and respond to all communications from LTA for all matters relating to the licence on behalf of the Entity, for the duration of the licence. This authorisation shall be effective from and including [to insert the earliest date of submission of the application for the licence]."
