

LETTER OF UNDERTAKING

Instructions for hirer:

Before making this undertaking, the business from which you are hiring the motorised device (i.e. motorised personal mobility device or power assisted bicycle) should have ensured the following:

1. The speed tracking application or function within the portable speed tracking device (e.g. mobile phone, tablet computer or wearable device) intended for you to track the speed when you ride the hired motorised device is in working order.
2. You understand how to access and operate the speed tracking application or function within the portable speed tracking device (e.g. mobile phone, tablet computer or wearable device) to track the speed when you ride the hired motorised device.
3. Where the portable speed tracking device is not a wearable, a suitable bracket is provided for you to mount that portable speed tracking device (e.g. mobile phone or tablet computer) to track the speed in a hands-free manner when you ride the hired motorised device.

I, _____(Full name of hirer), mobile

number: _____, hereby undertake on _____ (Date of device hire)
