### Online Account Application

Users with access to the Internet can log onto any of the operators' websites and complete an online registration form. Alternatively, they can click on the 'New User Sign Up' link found on the Wireless@SG log-in page when they select the Wireless@SG network at the coverage areas. The account will be activated immediately with a password sent to them via SMS.

### Customer Service Centres

Those without mobile phones or online access can visit any of the operators' customer service centres to register and collect their passwords. Users can also check with their operator of choice for other registration methods.
