

LTA's MyTransport.SG App

Daily bus ridership in Singapore has been hitting a new record every year for the past nine years, exceeding 3.75 million daily bus rides in 2014. With increasing bus ridership, commuters desire more meaningful and intuitive real-time information on buses.

2. LTA's MyTransport.SG app enables commuters to make more informed travel decisions on the go as they can better manage waiting time and transfers. This is part of the Smart Nation initiative to empower commuters and improve the public transport experience.

3 LTA's MyTransport.SG app is free and is available for download from the iTunes App Store and Google Play Store.
