City Direct Bus Services

Your One Ride to the CBD

Commuters from the above towns can enjoy direct trips to the CBD on board City Direct Bus Services. The City Direct Bus Service caters to journeys to and from the city during weekday peak periods, with two one-way trips in the morning, and another two in the evening.

With limited stops and the use of expressways, the journey duration on these buses is comparable to travelling on a connecting bus or LRT service, and transferring to a train into the city.
