

CORPORATE-TIER TRAVEL SMART REWARDS

Participants in the Corporate-Tier Travel Smart Rewards can earn points proportional to the distances they travel on the rail system, with extra points for travel during de-congesting hours. Trips made during the periods of 6.15am - 7.15am or 8.45am - 9.45am on weekdays are considered de-congesting trips.

Points are earned based on the start times of participants' trips at the train stations and the distance of their journeys on the rail system. These will be tracked through the participants' fare cards.

Corporate-Tier Travel Smart Rewards participants are rewarded with higher sign-up bonus points, earn more points when they make de-congesting trips and stand a higher chance of winning cash prizes (monthly Corporate-Tier Travel Smart Rewards lucky draw).
