

### **More about the Industry Manpower Plan**

The Industry Manpower Plan for the public bus industry targets to attract and retain local bus captains to strengthen the Singaporean core, and help them grow their careers and be ready for the industry of the future. The five strategies are:

- i. Enhance training to upskill and professionalise bus careers;
- ii. Strengthen outreach and community appreciation of bus professionals;
- iii. Promote attractive benefits and career progression pathways;
- iv. Facilitate bus career entry and transition programmes; and
- v. Build pipeline of bus professionals through tertiary programmes.
