

Downtown Line 3 Open House - A Day of Rail Fun!

The Downtown Line 3 Open House allows commuters and their families a free preview of the DTL3 16 new stations. With the theme “Rail of Fun”, visitors can enjoy the fun-filled activities at the stations stretching from Fort Canning Station to Expo Station, from 10am to 6pm.

Fun-filled activities at every station

With a unique game theme for each station, visitors can look forward to different station games and activities. Catch your favourite celebrities, such as Irene Ang, Chua Enlai and Alaric Tay at the different stations, or your favourite deejays Arnold, Maddy and Jason from Kiss92, and Limei, Wenhong and Xiaozhu from UFM100.3!

Stamp Rally

To encourage visitors to check out as many stations along the DTL3, LTA has organised the Stamp Rally, where visitors can collect a unique stamp at the “Checkpoint Booth” at each of the 16 DTL3 stations. Visitors who collect at least eight different stamps can redeem a premium!

Expansion of our rail network display

Want to learn more about how our rail network has expanded over the past 30 years? Head down to Expo Station and check out the display that documents the expansion of our rail network, and the exciting projects we can look forward to.

Thoughtfulness Musical

Catch our beloved Thoughtful Characters in the Thoughtfulness Musical taking place at MacPherson Station, at 11am and 3pm. Visitors can also bring home a limited edition Thoughtful Bunch mini figurine by sharing their photo on social media, and having a spin at the capsule machine.

Debut of “Mindy’s First MRT Adventure”

LTA has worked with a group of students who majored in Early Childhood Education at Wheelock College, Singapore Institute of Technology, to develop a storybook that introduces Singapore’s MRT system to children.

The storybook will be making its debut at the DTL 3 Open House. Children can collect a specially designed bookmark at the DTL 3 Open House and use it to redeem a copy of the storybook “Mindy’s First MRT Adventure” at the following three DTL 3 stations: Fort Canning, MacPherson and Expo on 15 October 2017.

Selected pages from the book

Love our public transportation system? Why not bring a part of it home by shopping LTA's collection of quirky merchandise with strong Public Transport design elements at the Knackstop pop-up stores located at Fort Canning and Tampines Stations. Two new products will be launched at the DTL3 Open House, so look out for them!

DTL Miniature Train

"30 years of MRT service" 3D pop-up card

Nett proceeds from every Knackstop purchase will go towards helping the disadvantaged with their transport needs through the LTA Cares Fund.
