

User guide to the New “Report PMD/PAB incident” feature

To submit a report, click on the “*Report PMD/PAB incident*” feature in the MyTransport.SG application to record and/or upload a video recording or photograph of an incident.

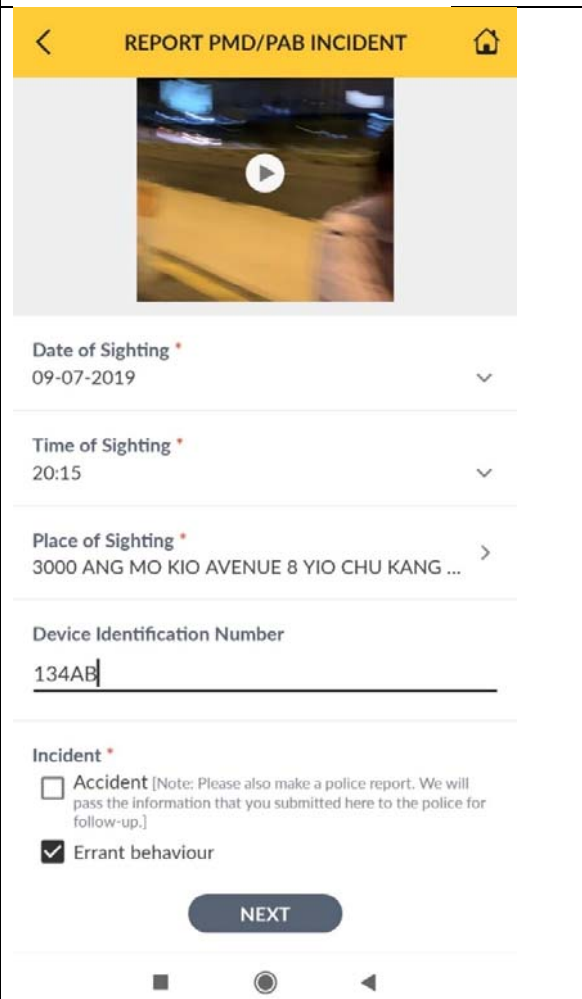

Feedback providers should, as far as possible, try to record the identification numbers of the devices and details of their sightings such as the date and time.

You will also be asked to provide the details of the incident i.e. date, time and location, as well as the identification number of the device involved in the incident.

If you encounter an accident, please make a Police Report.

Lastly, to complete the submission of the incident to LTA, you will also be required to provide your name and contact details. LTA may contact you for further details regarding the incident reported.
