

Types of devices allowed on public paths

Paths/Roads	Bicycle	Power-Assisted Bicycle (PAB)	E-scooter*	Personal Mobility Aid (PMA)
<p>Shared Paths</p>  <p>Park Connector Network Cycling Paths</p>				
<p>Footpaths</p> 			 <p>The riding of e-scooters on footpaths is not allowed from 5 Nov 2019.</p>	
<p>Roads</p> 				

*E-scooters are personal mobility devices with a handlebar and an electric motor, and are not allowed to be ridden on footpaths, pedestrian-only paths and roads. The ban will be progressively extended to other motorised PMDs by the first quarter of 2020.

Additional examples of cycling paths
