

New System Map

Annex A

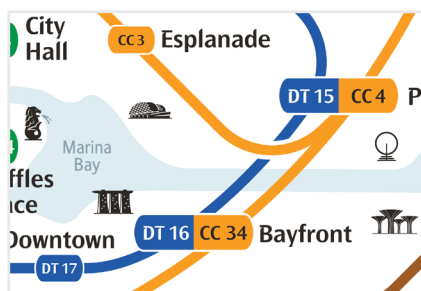

Redrawn to improve legibility and memorability.

Circular Circle Line serves as a focal point for quicker reading and journey planning.

Notable Features

Providing context and useful tools for all commuters.

Singapore's Marina Bay Landmarks

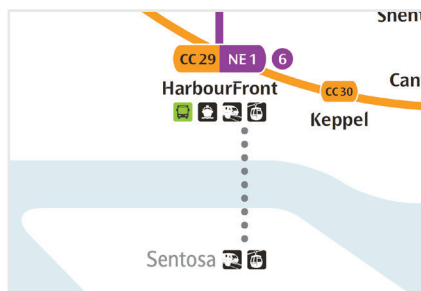

Visually distinct landmarks and water bodies to provide context for underground MRT stations in close proximity in the Marina Bay area.

You Are Here

Station Indicator

Stickers will be added to point out the current station, to quicken journey planning using the System Map.

Sentosa Island

Now featuring Sentosa Island, indicating HarbourFront Station as the gateway to Sentosa Island. The cable car pictogram is also new to the map.
