Date /Time	Programme	Description
7 & 14 June 3.45pm	Guided Tour of the Singapore Mobility Gallery & Train Exhibits	This tour takes participants on a journey to learn more about the behind-the-scenes of our land transport system at the SMG! Participants can explore train exhibits at LTA's compound and get up close and personal with train engineers to find out more about what makes our trains special.
Activity Booths at the Singapore Mobility Gallery		
8 & 15 June	Right the Ride	Participants learn to identify the different public paths and rules of riding safely, as well as interact with a real-life Enforcement Officer and what they do on a daily basis!
9 & 16 June	Caring Commuter	Through games and sensory play, participants get to experience different challenges that vulnerable commuter segments may face, and learn how to exhibit caring behaviour on public transport.
10 & 17 June	Be a Vigilant Commuter	Participants learn how to spot suspicious character/items using the A.I.S.U (Abnormal, Irregular, Strange, Unusual) method. They will also have the opportunity to assume the role of a "Transport Officer" to search a bag and a mannequin for suspicious items.
Workshops		
3 June 3.00 to 4.30pm	Going Green: Powering Cleaner Vehicles (Physical)	Participants learn about climate change and how they can mitigate its effects by changing their commuting habits! This workshop features a "live" virtual tour of an electric bus by LTA engineers and a hands-on STEM session where participants explore prototypes of sustainable transport.
6 June 3.00 to 4.00pm	Right the Ride (Virtual)	With the increasing popularity of cycling for recreation and as a mode of transport, LTA has been stepping up its efforts to provide more cycling infrastructure around the island. Learn about the dos and don'ts of cycling and the best attire for safe riding!
7 June 3.00 to 4.00pm	Be a Vigilant Commuter (Virtual)	Learn how to be a vigilant commuter to spot and report threats on public transport through simulation activities and fun quizzes!
15 June 3.00 to 4.00pm	Eye On the Road (Virtual)	Find out how LTA uses smart technology to manage traffic on our roads and learn about what goes on behind-the-scenes in ensuring our roads operate smoothly 24/7!
