

Annex A: Process for Booking an Appointment Online

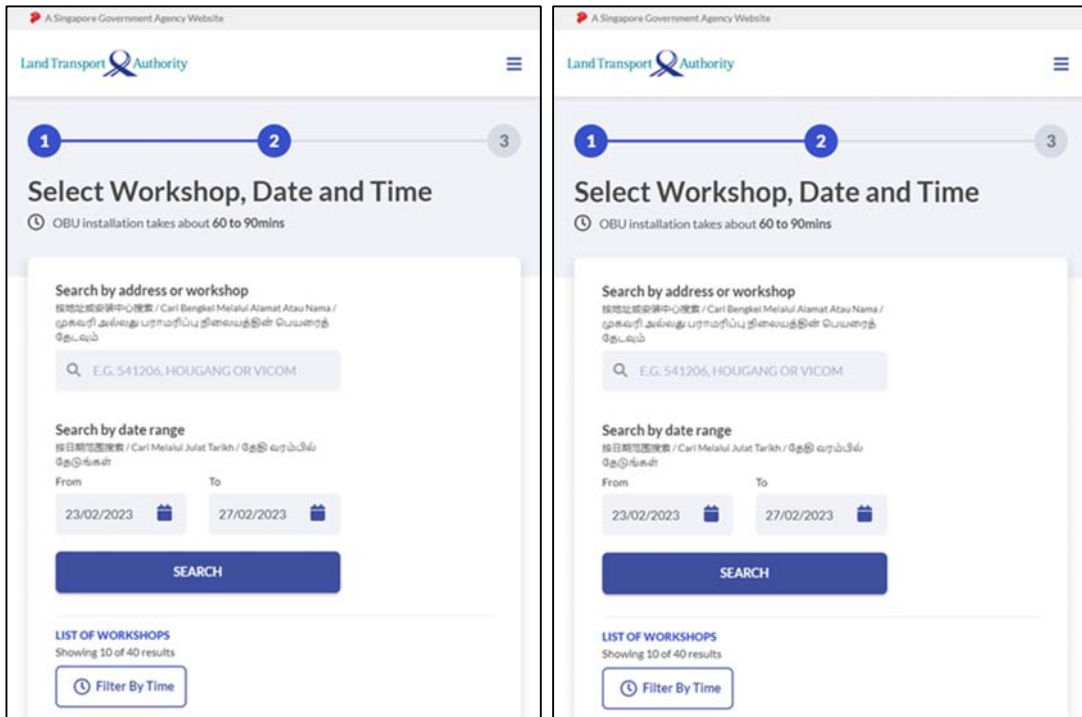

Step 1: Vehicle owners will receive an official notification from LTA when it is their turn.

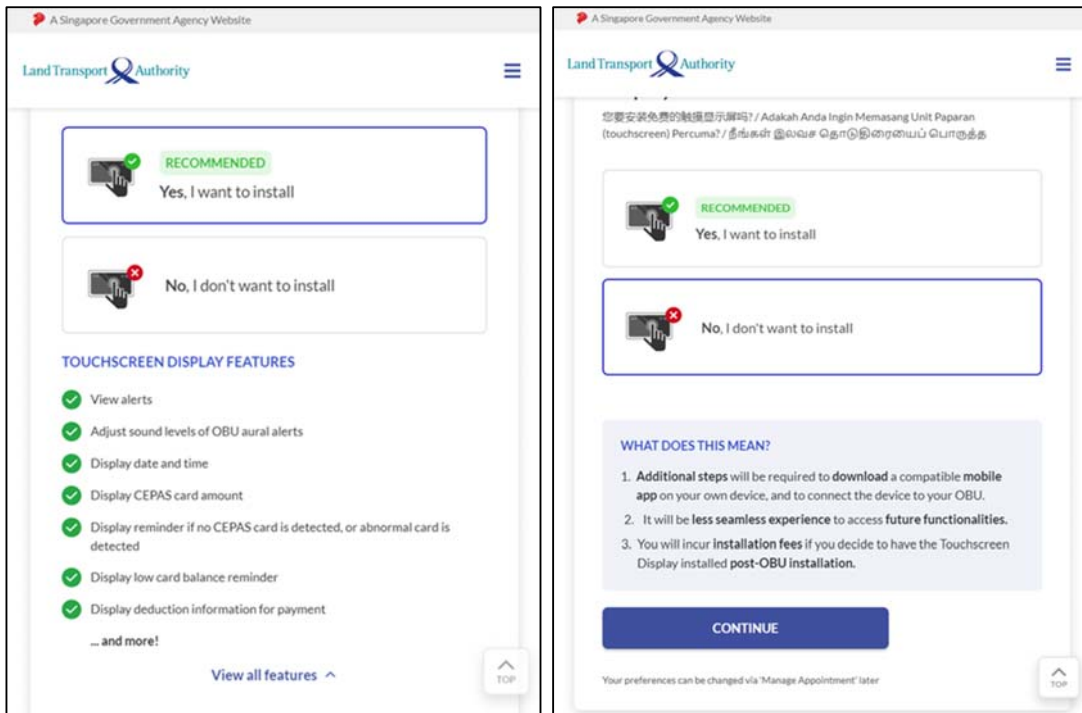

Step 2: Vehicle owners can book an appointment with their preferred workshop using the link provided in the notification.

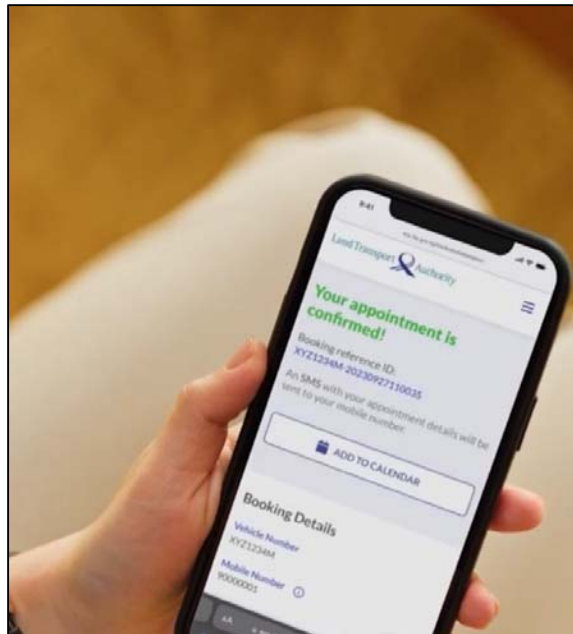

Step 3: Vehicle owners can select their preferred workshop by selecting from the list or searching by address, workshop, or date range.

Step 4: Vehicle owners can select whether they want to install the Touchscreen Display (only applicable for three-piece OBU that is used in vehicles other than motorcycles)

Step 5: Appointment is booked.

Step 6: To make any changes to the appointment subsequently, vehicle owners can click on the “Manage” button.
