

Annex B2 – Artist’s Impression of Proposed Concepts for Ang Mo Kio and Marymount Road Areas

Ang Mo Kio area - *Prioritising public transport travel and reimagining surface streets for walking, cycling, public spaces and greenery as vehicular traffic is diverted into tunnel.*

Ang Mo Kio area – *Turning part of the road spaces along Marymount Road near Bishan-Ang Mo Kio Park into active mobility uses and greenery to enhance commuting experience along the Park.*

Along Marymount Road – *Lush planting with meandering paths to create a unique commuting experience.*
