

**2<sup>ND</sup> PRE-QUALIFICATION NOTICE  
FOR CIRCLE LINE 6  
CIVIL CONTRACT 886**

1. This Pre-qualification (PQ) is for Build-Only Civil Contract 886 of Circle Line 6 (CCL6). The Land Transport Authority (LTA) invites applications for PQ from civil engineering contractors with proven expertise and experience in the design (where applicable) and construction of Rapid Transit System (RTS), underground stations and tunnels.
2. The proposed CCL6 is a fully underground rail transit system. This PQ exercise is for the Civil Contract 886 which consists of cut and cover tunnels at Marina Bay area and associated Works as described in Part One – Section 3, Extent of Works.
3. The 1<sup>st</sup> Pre-qualification for the Civil Contract was advertised in GeBIZ on 15 February 2016 and all applicants have been informed of their applications. Tender Documents will ONLY be issued to the pre-qualified tenderers on 23 January 2017 for Civil Contract 886. Those who wish to be considered for the 2<sup>nd</sup> (final) pre-qualification for the Civil Contract 886 will need to submit their pre-qualification applications as detailed in the PQ brochure.
4. Applicants shall note that registration with the Building and Construction Authority (BCA) under CW02 “Civil Engineering” workhead in financial category A1 OR Limited A1 is the minimum qualifying criteria for this PQ exercise. In the case of a joint-venture, all partners of the joint-venture must be registered with BCA under CW02 “Civil Engineering” workhead. The leading joint-venture partner is required to meet the financial category of A1 or Limited A1. The other partners shall be registered in the financial category of not more than **three grades** below the specified financial category.
5. Applicants who are not registered with BCA in the appropriate category are required to register with BCA after they have been successfully pre-qualified by LTA to participate in the tender. For applicants without local track records, LTA will facilitate their registration by issuing them an endorsement letter to be submitted with their application. The application process may take up to 6 months. Prior to the award of the tender by LTA, the pre-qualified applicant must obtain registration with BCA in the appropriate workhead and financial category. Only pre-qualified applicants who have obtained BCA's registration or shown proof of applying for registration with BCA under the appropriate workhead and financial category are allowed to submit the tenders.
6. Interested applicants are required to submit previous and current records of similar work done, details of key staff with relevant experience in design (where applicable) and/or construction, equipment to be deployed, safety records and financial capacity for LTA's consideration. Where top-down construction is

required, applicants shall demonstrate prior experience of this method in similar projects. For those applicants who do not have relevant track records, LTA may pre-qualify them if they meet the requirements as specified in Part Two: Application Instructions, clause 4D.

7. Applicants should demonstrate that they have the necessary:
  - (a) Technical expertise, project management capability and physical resources in the design (where applicable) and/or construction of similar works; and
  - (b) Financial capacity to undertake and sustain a multi-million dollar project in Singapore.

Those applying should not rely on their current standing and reputation but should provide sufficiently detailed information and proposals to enable LTA to evaluate their suitability.

8. All PQ applications must reach the Tender Division, LTA by the closing date for submission.
9. LTA reserves the right to select or reject any of the applications.
10. All expenses incurred by the applicant in the submission of this PQ shall be borne entirely by the applicant.
