

**2ND PRE-QUALIFICATION NOTICE
CONTRACT 853E
POWER SUPPLY SYSTEM
FOR CIRCLE LINE STAGE 6 AND NORTH EAST LINE EXTENSION**

1. The 1st pre-qualification for the Circle Line Stage 6 for Power Supply System Contract 853E was advertised in GeBIZ on 29 July 2016 and all applicants have been informed of their applications on 6 February 2017.
2. Tender documents for Contract 853E will only be issued on 17 November 2017 to the pre-qualified tenderers. Those who wish to be considered for 2nd (final) pre-qualification for Contract C853E will need to submit their pre-qualification applications as detailed in the pre-qualification brochure.
3. Applications for pre-qualification (PQ) are invited from:

Contractors with proven expertise and experience in the supply, installation, testing, commissioning and putting into service of power supply system for Mass Rapid Transit (MRT) system in a timely and safe manner. This PQ is for the power supply system for the proposed Circle Line Stage 6 and North East Line Extension (Contract 853E).
4. Circle Line Stage 6 (CCL6) is an extension of Circle Line (CCL). It connects Harbourfront Station (CC29) and Marina Bay Station (CE2) with 3 underground stations (CC30 Keppel Station, CC31 Cantonment Station and CC32 Prince Edward Station) to close the Circle Line loop. The length of Circle Line 6 is approximately 4km.
5. The existing Kim Chuan Depot will also be expanded to cater for future needs.
6. North East Line extension (NELe) comprises of one (1) new underground station (NE18), extending from the existing North East Line NE17 Punggol (PGL) station. Three (3) stabling tracks at existing North East Line Depot will also be fitted out to cater for future needs.
7. Interested applicants are required to submit previous and current records of similar projects undertaken. Applicants must demonstrate that they have the necessary:
 - (a) Technical expertise and project management capability in the supply, installation, testing and commissioning of High Voltage (HV) Power Supply System , DC Traction System, Overhead Catenary System (OCS) and Overhead Conductor Rail (OCR) for MRT; and
 - (b) Financial capacity to undertake and sustain a multi-million dollar project in Singapore.

Applicants can consider submitting their proposal as a joint venture to meet the above criteria.

Applicants should not rely on their current standing and reputation but should provide all information as requested in the brochure to enable LTA to evaluate their suitability.

8. Issuance and Closing Dates for PQ Application are as follows:

Issuance Date	17 November 2017
Closing Date	18 December 2017 by 1200 hours, Singapore time

9. All PQ applications must reach the Tender Division, LTA by the closing date and time for submission. LTA reserves the right to select or reject any of the applications.
10. All expenses incurred by the applicant in the submission of this PQ shall be borne entirely by the applicant.
11. PQ Brochure can be downloaded from GeBIZ Website (www.gebiz.gov.sg) under 'Qualifications' via GeBIZ Trading Partner (GTP) Account.
12. To be able to transact through GeBIZ, Applicants would be required to register as a GeBIZ Trading Partner (GTP). For information on registration and subscription, Applicants can log on to <http://www.gebiz.gov.sg> and select "Trading Partner Registration".
13. Please request for an Application Number via email to lta_contracts@lta.gov.sg with subject heading as "Request for Application no. for C853E 2nd PQ".
14. This is a GPA-covered (2012 Agreement on Government Procurement under the World Trade Organisation) PQ exercise.

The PQ Notice can be found in the GeBIZ Homepage in <http://www.gebiz.gov.sg>.
