

ANNEX – Screenshots of the revamped MyTransport.SG app

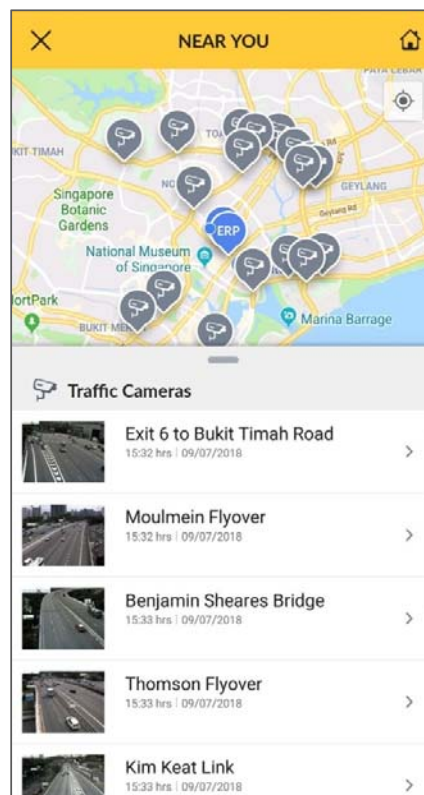

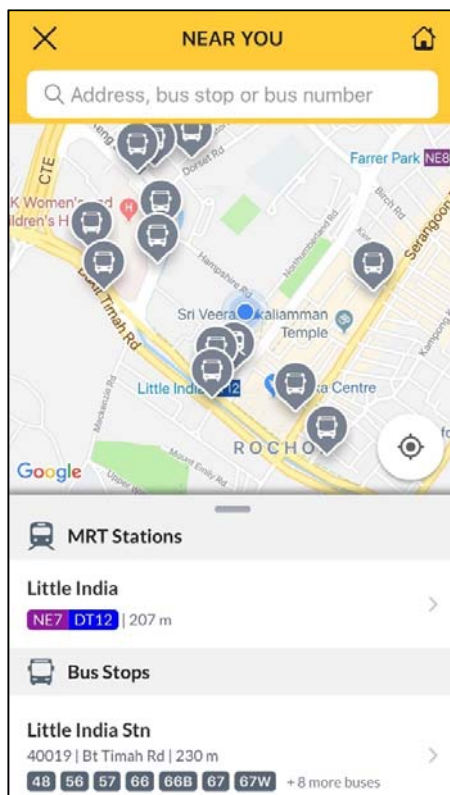

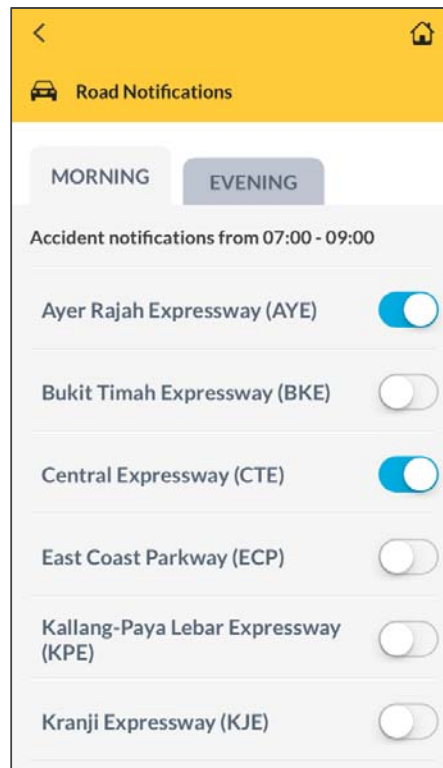

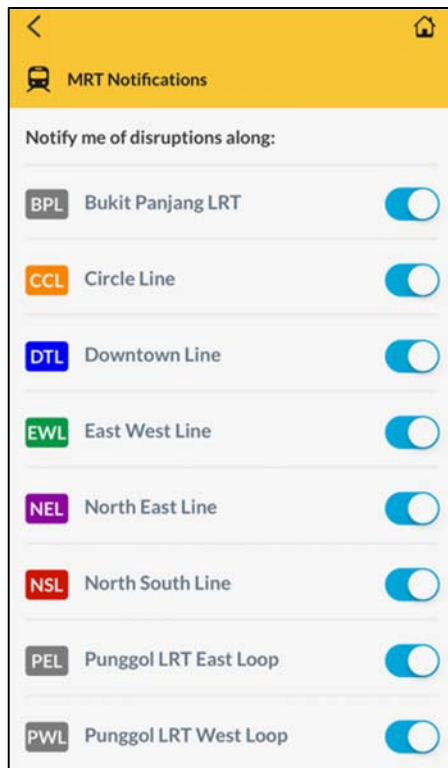

a. Personalisation

Frequently-used bus services or traffic cameras/ERP gantries can be added to the home screen as 'favourites'.

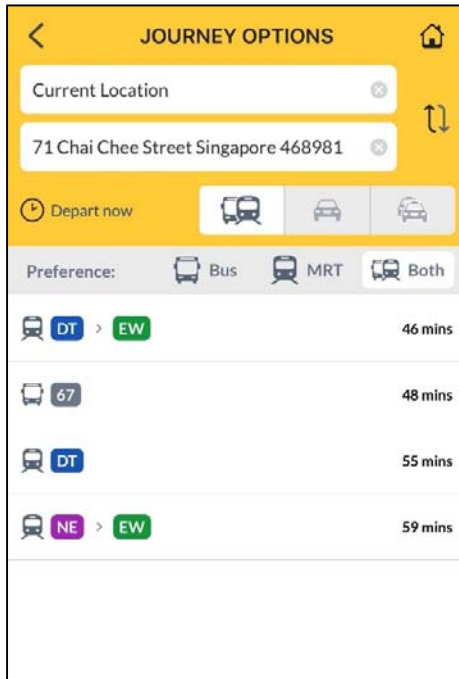

b. My Notifications & Nearby information

Customise selection of MRT line/s or road notifications to receive alerts (top) and view nearest bus services, bus stops, MRT stations, traffic cameras (bottom).

c. Journey Planner (Multi-Modal)

Plan a trip with different transport modes.

Real-time parking information is also provided when 'drive' mode is selected.
