

Knackstop's Flagship Store and Launch of New Merchandise

The Singapore Mobility Gallery features a Knackstop flagship store, a convenient one-stop shop to purchase creative and practical merchandise inspired by our public transport system.

In line with our 'Shop Good. Do Good' motto, net sales proceeds from every purchase will go towards helping those with mobility needs.

To celebrate the opening of the flagship store, Knackstop will also be launching an exciting new range of merchandise, featuring our very own SG MRT Map! Those who are passionate about all things system map can come down to Knackstop, and grab your favourite items!

Two items will be the first to debut, and they are none other than the SG MRT Map Jigsaw Puzzle and Memo Pad.

Have hours of family fun putting together your very own MRT map jigsaw puzzle and in the process discover places off the beaten track which you probably never knew existed. And the SG MRT Map memo pad will keep your thoughts and ideas close by – just scribble and doodle away whatever, whenever and however you desire!

Stay on top of Knackstop happenings and new product launches by following Knackstop on Facebook ([Fb.me/Knackstop](https://www.facebook.com/Knackstop/))!
